The Valkkruiser 42 Flybridge, built by G. van der Valk, is all you can ask for in a yacht. The owner made sure the vessel was kept up to date. He built in a central heating system, bow- and stern thruster (with remote), black water system, TV, washing machine and dishwasher just to name a few. Cost weren't saved to get the Harmonie in it's current condition. The Valkkruiser 42 Fly is an absolute must see vessel that can be visited in our covered marina.
