### Omschrijving

The rationality of a trawler with the thrill of a cruiser! OUTSIDE OF THE BOX

There's still something that amazes us. It has the power of the unexpected, the beauty of a stroke of genius, the bravery to break the mould. The new T 36, a yacht in a class of its own. Crossover by nature, ready to take on the sea at any latitude, in any weather conditions. Perfect for day trips or longer voyages. An intense performance boat with surprising habitability: the planning hull ensures top speeds, but space onboard is considerably larger than that of a cruiser. The covered cockpit area on the main deck is sheltered by a windscreen. Thanks to its sliding door and

air-conditioning, it will never be too hot, or too cold. It will be nothing but a perfect day for sailing!
