+++++ Perfect Sessa C38 from her second owner
+++++The Sessa C38 is an icon of style and comfort. The light seeping in through its large windows, much like a veranda, gives rise to the feeling of becoming one with the sea. Below deck the optimization of space makes it truly livable, with two double cabins and a bathroom of impressive dimensions for its category. The two kitchens – one inside and the other situated on the cockpit the sunning areas, the chaise longue and the large couches allow for those aboard to feel at home.
